Please copy this site below and print it out ! Send it by postage to my address together with the money-fees. Do NOT send it by email. I do not accept money by bank-transfer or plastic-cards. Thanks says Bernd Tesch.:

Please answer **ALL** questions. And fill in **ALL** ! And the complete addresses of all participants ! Everyone has to sign it personally ! Please add the fees in the letter cash (EURO 50,00 for one, two or three days) in the envelope. This includes one free dinner on saturday. Don´t be afraid: Some thousand of participants have send me their fees cash since 1977 already ! If you want to pay at the meeting it cost € 60,00 per person but you do NOT get a free dinner. I have to pay and order 250-300 dinners in advance. This is 1 2 days before the start of the meeting. If you do not trust somebody you can send a registered letter.

**Automatically after your booking with payment you will have the route-description as well as all written information about your normal questions by email.**

If you do NOT have an email-address please add an envelope with your written address on it and 3 more Euros for postage!

Normally I do NOT reserve places for anyone without this formalities because I have the responsibility for this meeting of 250-300 participants and want to know who is coming. What I want is to talk to all participants instead of handling all this bookings on this days.

Very important: Please sign in any case that you „pay for your mistages on the way to and during the festival and on your way back“! If YOU burn (e.g.) the wood I cannot pay for it!... I hope you understand all this

**Please fill in the formular very clear and completely!**

**Please send to me as an attachment by email parrallel as well a star-portrait from you!**

Bernd (Tesch) und Patricia and all the others delighted that you will come!
